(i) to ensure that any officers, employees or agents of the Contractor who are required to deal with Personal Information for the purposes of this Contract are made aware of the obligations of the Contractor set out in this clause.

14.4 The Contractor agrees to ensure that any subcontract entered into for the purpose of fulfilling its obligations under this Contract imposes on the subcontractor the same obligations as the Contractor has under this clause, including the requirement in relation to subcontracts.

14.5 The Department may at any time require the Contractor to give, and to arrange for Contractor Personnel to give, undertakings in writing in a form required by the Department, relating to the non-disclosure of Personal Information.

14.6 If the Contractor receives a request under clause 14.5, it agrees to promptly arrange for all such undertakings to be given.

14.7 The Contractor agrees to indemnify the Commonwealth in respect of any loss, liability or expense suffered or incurred by the Commonwealth which arises directly or indirectly from a breach of any of the obligations of the Contractor under this clause, or a subcontractor under the subcontract provisions referred to in clause 14.4.
14.8 The Contractor’s obligations under this clause are in addition to, and do not restrict, any obligations it may have under the Privacy Act or any privacy codes or privacy principles contained in, authorised by or registered under any law including any such privacy codes or principles that would apply to the Contractor but for the application of this clause.

14.9 This clause survives the expiration or earlier termination of this Contract.

15. COMPLIANCE WITH LAWS AND POLICIES

(o) any other policies notified to the Contractor in writing or listed in Item C.

15.2 The Contractor acknowledges that under section 137.1 of the Schedule to the Criminal Code Act 1995, giving false or misleading information to the Commonwealth is a serious offence.

15.3 The Contractor agrees, when using the Department’s premises or facilities, to comply with all reasonable directions and procedures relating to occupational health, safety and security in operation at those premises or in regard to those facilities (including the Department’s smoke-free workplace policy) whether specifically drawn to the attention of the Contractor or as might reasonably be inferred from the circumstances.

15.4 Without limiting the effect of clause 25, the Contractor must comply with, and require Contractor Personnel to comply with, the behaviours specified in:
(a) the Code of Conduct in section 13 of the *Public Service Act 1999* as if the Contractor and those Contractor Personnel were APS employees as defined in that Act; and

(b) the general duties of officials at sections 25-29 of the *Public Governance, Performance and Accountability Act 2013* as if the Contractor and those Contractor Personnel were officials as defined in that Act.

15.5 Clauses 15.6 to 15.9 only apply to the extent that:

(a) this Contract is entered into following a procurement which is at, or above, the relevant procurement thresholds as defined in the *Commonwealth Procurement Rules* but not where that procurement is listed in Appendix A to those Rules; and

(b) the Contractor is a ‘relevant employer’ for the purposes of the *Workplace Gender Equality Act 2012* (‘the WGE Act’).

15.6 The Contractor must comply with its obligations, if any, under the WGE Act.

15.7 If the Contractor becomes non-compliant with the WGE Act during the term of this Contract, the Contractor must notify the Department.

15.8 If the term of this Contract exceeds 18 months, the Contractor must provide a current letter of compliance within 18 months from the commencement date of this Contract and following this, annually, to the Department.

15.9 Compliance with the WGE Act does not relieve the Contractor from its responsibility to comply with its other obligations under this Contract.

15A. **Indigenous Procurement Policy**

15A.1 It is Commonwealth policy to stimulate Indigenous entrepreneurship and business development, providing Indigenous Australians with more opportunities to participate in the economy (see the Indigenous Procurement Policy).

15A.2 The Contractor must use its reasonable endeavours to increase its:

(a) purchasing from Indigenous enterprises; and

(b) employment of Indigenous Australians,

in the delivery of the Services as specified in the Schedule.

15A.3 Purchases from Indigenous enterprises may be in the form of engagement of an Indigenous enterprise as a subcontractor, and use of Indigenous suppliers in the Contractor’s supply chain.

15A.4 Without limiting clause 15A.2, the Contractor must comply with the Indigenous Participation Plan.

15A.5 The Contractor must provide a written report on its compliance with the Indigenous Participation Plan to the Department:

(a) at least once every quarter during the time frame specified in Item D; and
(b) within [5] Business Days after the end of the time frame specified in Item D (End of Term Report).

The End of Term Report must identify whether the Contractor:

(c) met the mandatory minimum requirements; and

(d) complied with the Indigenous Participation Plan.

If the Contractor did not comply with the Indigenous Participation Plan it must provide an explanation for its non-compliance.

15A.6 If the Department considers, in its absolute discretion at any time during the time frame specified in Item D, that it has concerns in relation to the Contractor's:

(a) compliance with the Indigenous Participation Plan; or

(b) overall ability to meet the mandatory minimum requirements as set out in the Indigenous Participation Plan,

the Department may request the Contractor to provide additional detail in relation to its implementation of and overall ability to comply with the Indigenous Participation Plan. The Contractor must comply with all reasonable directions issued by the Department in relation to the Contractor's implementation of the Indigenous Participation Plan.

15A.7 Without limiting its other rights under the Contract or at law, any material failure by the Contractor to:

(a) implement the Indigenous Participation Plan; or

(b) comply with a direction issued by the Department under clause 15A.6,

will be a breach of this Contract, and the Department may terminate this Contract in accordance with clause 22.

15A.8 Notwithstanding any other clause of this Contract, the Contractor acknowledges and agrees that the reports it submits under clause 15A.5:

(a) will be recorded in a central database that is able to be accessed by Commonwealth entities and may be made publicly available;

(b) will not be considered to be Contractor Confidential Information; and

(c) may be used by Commonwealth entities for any purpose, including for evaluation of an offer to provide Services to a Commonwealth entity.

16. CONFLICT OF INTEREST

16.1 The Contractor warrants that, to the best of its knowledge after making diligent inquiry, at the date of signing this Contract no Conflict exists or is likely to arise in the performance of obligations under this Contract by the Contractor or the Contractor Personnel.

16.2 If, during the term of this Contract, a Conflict arises, or appears likely to arise, in respect of the Contractor or any of the Contractor Personnel, the Contractor agrees to:

(a) notify the Department immediately in writing of the Conflict making a full
disclosure of all relevant information relating to the Conflict and setting out
the steps the Contractor proposes to take to resolve or otherwise deal with
the Conflict; and

(b) take such steps as have been proposed by the Contractor, or at the discretion
of the Department, take such steps as the Department may reasonably
require to resolve or otherwise deal with the Conflict.

16.3 If the Contractor fails to notify the Department under this clause or is unable or
unwilling to resolve or deal with the Conflict as required, the Department may
terminate this Contract in accordance with the provisions of clause 22.

16.4 The Contractor agrees that it will not, and will use its best endeavours to ensure
that any Contractor Personnel do not, engage in any activity or obtain any interest
during the course of this Contract that is likely to conflict with or restrict the
Contractor in providing the Services to the Department fairly and independently.

17. **ACCOUNTABILITY AND ACCESS**

17.1 The Contractor must give to:

(a) the Auditor-General or his/her delegate;
(b) the Privacy Commissioner or his/her delegate;
(c) the Ombudsman or his/her delegate;
(d) the persons appointed under the *Australian Information Commissioner Act
   2010* as the Information Commissioner and the FOI Commissioner or his/her
delegate; and
(e) any persons authorised in writing by the Commonwealth,

(referred to in this clause collectively as ‘those permitted’) access to premises:

(f) at which Materials associated with this Contract are stored; or
(g) work associated with this Contract is undertaken, and
(h) to the Contractor Personnel,

in order for those permitted to be able to inspect and copy Material for purposes
associated with this Contract or any review of performance under this Contract.

17.2 The rights referred to in clause 17.1 are, wherever practicable, subject to:

(a) the provision of reasonable prior notice from the Commonwealth (except
where there is an actual or apprehended breach of the Law);
(b) access being sought during reasonable times (except where the
Commonwealth believes there is an actual or apprehended breach of the
Law); and
(c) the Contractor’s reasonable security procedures.

17.3 The Contractor agrees to provide all reasonable assistance requested by the
Commonwealth in respect of any inquiry into or concerning the Services or this
Contract.
17.4 Without limitation to the generality of clause 17.3:

(a) the assistance to be provided by the Contractor under clause 17.3 will include, as appropriate, the provision of Material, and making available relevant Contractor Personnel to provide information or answer questions on any matters relevant to or arising from this Contract or the performance of the Services which might reasonably be expected to be within the knowledge of the Contractor; and

(b) an inquiry referred to in clause 17.3 will include any administrative or statutory review, audit or inquiry (whether within or external to the Department), any request for information directed to the Commonwealth, and any inquiry conducted by Parliament or any Parliamentary committee.

17.5 The Commonwealth will endeavour to notify the Contractor as early as possible of any assistance required under clause 17.4, provided always that the Contractor acknowledges that such notice may be oral and is not subject to any minimum notice period requirement.

17.6 The requirement for access under this clause does not in any way reduce the responsibility of the Contractor to perform its obligations in accordance with this Contract.

17.7 The Contractor agrees to ensure that any subcontract entered into for the purpose of this Contract contains an equivalent clause permitting those permitted to have access as specified in this clause.

17.8 Nothing in this Contract limits or restricts in any way any duly authorised function, power, right or entitlement of the Auditor-General, the Ombudsman, the Privacy Commissioner, the Information Commissioner, the FOI Commissioner or their respective delegates. The rights of the Commonwealth under this Contract are in addition to any other duly authorised power, right or entitlement of the Auditor-General, the Commonwealth Ombudsman, the Privacy Commissioner, the Information Commissioner, the FOI Commissioner or their respective delegates.

17.9 This clause survives the expiration or earlier termination of this Contract for a period of seven years.

18. **INDEMNITY**

18.1 To the extent permitted by Law, the operation of any legislative proportionate liability regime is excluded in relation to any claim against the Contractor under or in connection with this Contract.

18.2 The Contractor indemnifies the Commonwealth, its officers, employees and agents from and against any:

(a) loss or liability incurred by the Commonwealth;
(b) loss of or damage to property of the Commonwealth; or
(c) loss or expense incurred by the Commonwealth in dealing with any claim against it including legal costs and expenses on a solicitor/own client basis and the cost of time spent, resources used or disbursements paid by the Commonwealth,
arising from:

(d) any act or omission by the Contractor or the Contractor Personnel in connection with this Contract, where there was fault (including, without limitation, any negligent or otherwise tortious act or omission) on the part of the person whose conduct gave rise to that liability, loss, damage or expense; or

(e) any breach by the Contractor of its obligations or warranties under this Contract.

18.3 The Contractor’s liability to indemnify the Commonwealth under clause 18.2 will be reduced proportionately to the extent that any negligent or other tortious act or omission of the Commonwealth contributed to the relevant liability, loss, damage, or expense.

18.4 The right of the Commonwealth to be indemnified under this clause:

(a) is in addition to, and not exclusive of, any other right, power or remedy provided by law; and

(b) does not entitle the Commonwealth to be compensated in excess of the amount of the relevant liability, loss, damage, or expense.

18.5 The Contractor agrees that the Commonwealth will be taken to be acting as agent or trustee for and on behalf of its officers, employees and agents from time to time.

18.6 This clause survives the expiration or earlier termination of this Contract.

19. INSURANCE

19.1 The Contractor warrants that it has taken out or will take out, and will maintain for the period specified in clause 19.2 or 19.3 as applicable, all appropriate types and amounts of insurance to cover the Contractor’s obligations under this Contract, including those which survive its expiration or earlier termination, which insurance must include but is not limited to the types and corresponding amounts of insurance specified in Item N.

19.2 If the Contractor takes out a ‘claims made policy’, which requires all claims and any fact situation or circumstance that might result in a claim to be notified within the period of insurance, the Contractor must maintain the policy during the term of this Contract and a policy in like terms for seven years after the expiry or earlier termination of this Contract.

19.3 If the Contractor takes out an ‘occurrence’ policy, which requires the circumstances to which a claim relates to occur during the period of insurance whilst the notification of event can occur at any time subsequently, the Contractor must maintain the policy during the term of this Contract.

19.4 The Contractor must, on request, promptly provide to the Department any relevant insurance policies or certificates of currency for inspection.

19.5 This clause survives the expiration or earlier termination of this Contract.
20. **DISPUTE RESOLUTION**

20.1 The parties agree that any dispute arising during the course of this Contract will be dealt with as follows:

(a) first, the Party claiming that there is a dispute will send to the other a notice setting out the nature of the dispute;

(b) secondly, the Parties will try to resolve the dispute by direct negotiation, including by referring the matter to persons who have authority to intervene and direct some form of resolution;

(c) thirdly, the Parties have 10 Business Days from the receipt of the notice in clause 20.1(a) to reach a resolution or to agree that the dispute will be submitted to mediation or some other form of alternative dispute resolution procedure; and

(d) lastly, if:

(i) there is no resolution or agreement; or

(ii) there is a submission to mediation or some other form of alternative dispute resolution procedure, but there is no resolution within 15 Business Days of the submission, or such extended time as the Parties may agree in writing before the expiration of the 15 Business Days,

then, either Party may commence legal proceedings.

20.2 Despite the existence of a dispute, the Contractor will (unless requested in writing not to do so) continue to perform the Services.

20.3 This clause:

(a) does not apply to action by the Department under or purportedly under clauses 3.2, 21 or 22; and

(b) does not preclude either Party from commencing legal proceedings for urgent interlocutory relief.

21. **TERMINATION AND REDUCTION FOR CONVENIENCE**

21.1 The Department may, at any time by notice and at its sole discretion, terminate this Contract in whole or reduce the scope of the Services immediately.

21.2 Upon receipt of a notice of termination or reduction the Contractor must:

(a) stop or reduce work as specified in the notice; and

(b) take all available steps to minimise loss resulting from that termination or reduction and to protect Commonwealth Material and Contract Material.

21.3 Where there has been a termination under clause 21.1, the Department will be liable only for:

(a) payments and assistance under clause 3 for Services properly rendered before the effective date of termination; and

(b) reasonable costs unavoidably incurred by the Contractor and directly attributable to the termination and which the Contractor fully substantiates.
21.4 The Department will not be liable to pay compensation under clause 21.3(b) in an amount which would, in addition to any amounts paid or due, or becoming due, to the Contractor under this Contract, together exceed the fees set out in Item E.

21.5 The Contractor will not be entitled to compensation for loss of prospective profits.

21.6 If there is a reduction in the Services, the Department’s obligation to pay any fee will abate proportionately to the reduction in the Services.

21.7 To avoid doubt, the Department has an unfettered discretion to terminate this Contract or reduce the scope of the Services in accordance with this clause.

22. **TERMINATION FOR DEFAULT**

22.1 Where a Party fails to satisfy any of its obligations under this Contract, the other Party may:

   (a) if it considers that the failure is not capable of remedy, by notice, terminate this Contract immediately;

   (b) if it considers that the failure is capable of remedy, by notice, require that the failure be remedied within a time specified in the notice (being not less than seven days); and

   (c) if the failure is not remedied in accordance with a notice given under clause 22.1(b), by further notice, terminate this Contract immediately.

22.2 The Department may also, by notice, terminate this Contract immediately (but without prejudice to any prior right of action or remedy which either Party has or may have) if the Contractor:

   (a) being a corporation, comes under one of the forms of external administration referred to in chapter 5 of the Corporations Act 2001, or an order has been made for the purpose of placing the corporation under external administration;

   (b) being an individual, becomes bankrupt or enters into a scheme of arrangement with creditors; or

   (c) breaches a warranty listed in clause 24.

23. **DEEMED TERMINATION FOR CONVENIENCE**

23.1 If a purported termination for cause by the Department under clause 22 is determined by a competent authority not to be properly a termination for cause, then that termination by the Department will be deemed to be a termination for convenience under clause 21 which termination has effect from the date of the notice of termination referred to in clause 22.

24. **CONTRACTOR WARRANTIES AND UNDERTAKINGS**

24.1 The Contractor represents, warrants and undertakes to the Department that:

   (a) it will promptly notify and fully disclose to the Department in writing any event or occurrence actual or threatened which could have an adverse effect on the Contractor’s ability to perform any of its obligations under this Contract;

   (v) require it to make any payment or delivery in respect of any financial indebtedness before the scheduled date for that payment or delivery;

(f) no litigation, arbitration, mediation, conciliation or proceedings including any investigations, are taking place, pending, or are threatened against the Contractor which could have an adverse effect upon either the Contractor’s capacity to perform its obligations under this Contract or the Contractor’s reputation;

(h) unless otherwise disclosed in this Contract, it is not entering into this Contract as trustee of any trust or settlement;

and the Department:

(c) relies on the Contractor’s representation that it is an expert; and

24.4 Each representation and warranty survives the execution of this Contract.

25. **NEGATION OF EMPLOYMENT, PARTNERSHIP AND AGENCY**

25.1 The Contractor is not, by virtue of this Contract, an officer, employee, partner or agent of the Commonwealth, nor does the Contractor have any power or authority to bind or represent the Commonwealth.

25.2 The Contractor agrees not to represent itself, and to use its best endeavours to ensure that its Contractor Personnel do not represent themselves, as being an officer, employee, partner or agent of the Commonwealth, or as otherwise able to bind or represent the Commonwealth.

26. **WORK HEALTH AND SAFETY**

26.1 In carrying out this Contract the Contractor must ensure that the Services are performed in a safe manner and in compliance with the WHS legislation.

THE SCHEDULE

Item A  Services and Subcontractors

Background

The Department of Health (the Department) requires the services of the Contractor to establish and maintain the National Best Practice Unit (NBPU) for Tackling Indigenous Smoking (TIS), to support the implementation and ongoing delivery of the TIS programme nationally. The NPBU will be instrumental in supporting the implementation of an outcomes-focused approach to the TIS programme.

The Contractor will be required to work primarily with grant recipients funded under TIS for regional tobacco control activities (referred to hereafter as grant recipients), with support and leadership from the National Coordinator Tackling Indigenous Smoking (Professor Tom Calma, AO).

In particular, the NBPU will support grant recipients to develop local approaches to tobacco control which are outcomes-focused, whilst being flexible to meet the needs of different population groups within a region. An outcomes-focused approach in effect means:

- expected outcomes are defined while the means of achieving outcomes can vary, which allows for tailoring activities to local needs.
- outcome measures will show how much progress is being made towards achieving the Programme objectives.
- outcome measures are both short term (e.g. increase in referrals to quit services) and long term (e.g. decrease in number of current smokers and no take-up of smoking)

To support an outcomes-focused approach, the NPBU will need to provide guidance on what evidence exists and how to apply it, adaptation methods for local needs, and advice and tools to monitor, measure and further improve activities.

Support from the NBPU will assist the Department and grant recipients to:

- plan evidence-based approaches to tobacco control which are adapted to meet local needs;
- implement best practice approaches to programme delivery;
- minimise duplication through network building and information sharing;
- undertake ongoing monitoring and evaluation to enable continuous improvement;
- develop relevant performance measures and data collection methods to measure the impact of tobacco control activities funded under TIS; and
- build the evidence base for tobacco control in Aboriginal and Torres Strait Islander communities.

Services

[Note the following services will be further negotiated with the successful Tenderer]

In performing the Services, the Contractor must undertake the following tasks:

1. Developing and maintaining operational guidelines for tobacco reduction among Aboriginal and Torres Strait Islander people and communities.
2. Providing a range of organisational support to grant recipients to implement evidence-based approaches to tobacco control.
3. Providing support to grant recipients to develop and implement performance indicators and data collection methods, and contributing to an overarching programme evaluation to measure the impact of TIS funded activities.

4. Facilitating workforce development to support the reduction of tobacco use, primarily for individuals and organisations funded by the TIS programme.

5. Disseminating evidence and information on best practice, building a community of practice, and promoting a culture of evaluation and continuous improvement for the TIS programme.

6. Providing advice and assistance to the Department to implement an outcomes-focused approach to the TIS programme.

Outcomes and Deliverables

A. Developing and maintaining national operational guidelines

The Contractor must develop and maintain national operational guidelines on what evidence exists and how to apply it. The operational guidelines will need to provide examples of best practice, adaptation methods for local needs, in addition to advice and tools to monitor, measure and further improve activities. The guidelines must be maintained by the Contractor as a living, interactive tool that incorporates new evidence and information as it becomes available.

B. Providing organisational support

Organisational support to be provided by the Contractor will include, but is not limited to:

- Assisting grant recipients to review Activity plans to ensure they are suitable to achieve targeted outcomes (in line with operational guidelines).

- Assisting grant recipients to develop performance measures and implementing data collection processes (in line with operational guidelines – also detailed further below).

- Facilitating network building and building a community of practice among the tobacco control workforce nationally (see also information below on dissemination of information).

- Providing ongoing support, advice and leadership to grant recipients on emerging evidence and effective initiatives related to tobacco prevention and cessation.

The Contractor will be required to organise and deliver a series of small annual workshops for grant recipients in each jurisdiction, in addition to an annual national TIS workshop for tobacco control workers and relevant partners.

The aims of TIS workshops will include:

- sharing evidence and best practice, and strategies for adaptation at local and regional levels

- resolving implementation challenges

- enhancing support, collaboration, network building and communication

- providing training and tools to assist in programme delivery.

The smaller jurisdictional workshops will support these aims and also allow for more targeted support that may be required by organisations.

C. Providing input to evaluation of TIS programme

The Department will engage an organisation through a separate tender process to develop an overarching monitoring and evaluation framework for the TIS programme, and to conduct an evaluation of the programme as a whole. The Contractor must work with the organisation/s
contracted by the Department to provide input on the regional tobacco control grants and NBPU components of the programme.

D. **Develop performance indicators and data collection methods**

The Contractor will work with grant recipients, the Department, the National Coordinator Tackling Indigenous Smoking, the programme evaluator, and relevant programme reference group/s to develop performance measures for the TIS programme for the regional and national level. In line with the overarching evaluation framework for the TIS programme, the Contractor must provide support to grant recipients to:

1. develop performance indicators for locally delivered tobacco control activities funded under TIS
2. implement methods for data collection and reporting that minimise the reporting burden on organisations whilst also providing meaningful measures of the impact of TIS funded activities.

The Contractor will be required to work with the Department, the programme evaluator and other relevant organisations and experts (such as the Australian Institute of Health and Welfare) on the data collection and reporting methodology to utilise existing data sources.

The Contractor will be required to plan and run sessions on performance reporting and evaluation at annual TIS workshops (detailed further below). The Contractor will also need to disseminate information and tools on performance reporting, data collection and evaluation.

E. **Workforce development to support the reduction of tobacco use**

The Contractor will need to assess the development needs of the tobacco control and broader health workforce to implement tobacco control in their regions, and to consider how these needs could be met.

The successful Tenderer will work with training providers to facilitate access to relevant training and professional development opportunities to build the capacity and skills of grant recipients to achieve TIS programme outcomes. Training could include web-based training, workshops and conferences, culturally appropriate mentoring and career pathway planning.

F. **Disseminating evidence and information on best practice, building a community of practice, and promoting a culture of evaluation and continuous improvement for the TIS Programme.**

The Contractor must implement a cost effective model to disseminate evidence, information and resources, and build a community of practice for tobacco control for Aboriginal and Torres Strait Islander communities. The Contractor must actively promote and maintain stakeholder involvement in the community of practice.

G. **Advice and assistance to the Department**

The Contractor must provide ongoing advice and assistance to the Department, as detailed below.

- Provide advice and assistance with development and assessment of performance measures for the TIS programme.
- Report to the Department on TIS programme outcomes including regional successes and challenges, identification of potential partners, and provide ad hoc reports and advice as required.
• Participate in external reviews, evaluation or research activities related to the programme.

• Build networks and manage relationships with key stakeholders, such as the national Aboriginal Community Controlled Health and state-based peak bodies, other private organisations, state/territory and local governments, to promote tobacco control for Aboriginal and Torres Strait Islander communities.

• Promote evidence-based approaches to Aboriginal and Torres Strait Islander tobacco control within the broader health sector (including Aboriginal Community Controlled Health Organisations and Primary Health Networks).

The Contractor may be required to communicate with the broader community about the TIS programme, presenting at health conferences and other forums as requested by the Department.

The Contractor will need to develop a communications and engagement strategy that sets out all communication and engagement activities in planning, implementing and maintaining the programme from December 2015 to June 2018.

Should a change of provider for the NBPU occur during or at the end of the contract period, the Contractor must provide the new organisation with a handover for a transitional period of two months to be agreed with the Department.

**Understanding of Aboriginal and Torres Strait Islander cultures and people**

In providing the services, the Contractor will need to work with people from a wide range of cultural and linguistic backgrounds, primarily Aboriginal and Torres Strait Islander people. All advice, communications, materials, resources and tools disseminated as part of the services must reflect cultural awareness and be culturally safe and responsive to the diverse needs of Aboriginal and Torres Strait Islander communities nationally.

**Evaluation and monitoring requirements**

The Contractor will be required to report on the outcomes of the TIS programme at a regional level in addition to other monitoring requirements detailed at (f) Reporting requirements). The Contractor will be required to provide input to an evaluation of the TIS programme as a whole, which will be sourced through a separate tender process.
