IRCA and ACCAN are pleased to invite you to attend this year’s Broadband for the Bush Indigenous Focus Day

When: 21 June 2017
Where: Esplanade Hotel 46-54 Marine Terrace, Fremantle

This is an invite-only event that will promote digital inclusion projects and address the opportunities for, and obstacles to, the digital inclusion of remote Aboriginal and Torres Strait Islander people and organisations.

Participants will help to develop recommendations for a Remote and Regional Indigenous Telecommunications Policy, and gain valuable skills to advocate for increased connectivity.

The Indigenous Focus Day came about after participants in the Broadband for the Bush Forum saw a need for a dedicated forum for Aboriginal and Torres Strait Islander people to talk about their digital inclusion needs and challenges. The Indigenous Focus Day is an opportunity for people to engage and collaborate with their peers.

This is a free event. Some assistance with travel and accommodation is being sought.

Can you help? We need assistance to support delegates from remote parts of Australia with their travel and accommodation costs to attend this important event. To discuss sponsorship opportunities, please contact Michelle or Paul.

RSVP Please confirm your attendance by email to forum@broadbandforthebush.com.au by Monday 29 May 2017.

Forum coordinators are Michelle and Paul
