Aboriginal Health 2018 # Save A Date as at 6 February 2018

Aboriginal Conferences, Events, Workshops, Health Awareness Days

For many years ACCHO organisations have said they wished they had a list of the many Indigenous “ Days “ and Aboriginal health or awareness days/weeks/events.

Well thanks to our friends at [ZockMelon](#) here it is!

It even has a handy list of the hashtags for the event.

We hope that this document helps you with your planning for the year ahead.

Events have been selected on their basis of relevance to the broad Aboriginal health promotion and public health community in Australia.
